| Job Title: | Maintenance Technician - Sheetrock |
| Department: | Maintenance |
| Reports To: | |
| FLSA Status: | Non-Exempt |

Position Summary:

We are seeking a skilled Sheetrock Installer to join our team for interior construction work at our Beacon Industries. This is a commercial/industrial role focused on installing and finishing drywall in a controlled, high-standards environment. The ideal candidate will have experience in commercial drywall installation and a strong attention to detail.

Sample Job description for sheetrock:

- Measure, cut, and install drywall panels to fit specific dimensions.
- Secure sheetrock panels to walls and ceilings using screws, nails, or adhesive.
- Tape, mud, and sand drywall seams to create a smooth surface for painting or finishing.
- Repair or patch damaged drywall surfaces as needed.
- Coordinate with other

Requirements:

- Previous experience in drywall/sheetrock installation (commercial or residential).
- Knowledge of drywall installation techniques, taping, mudding, and finishing.
- Ability to measure, cut, and fit drywall with precision.
- Ability to work independently and as part of a team.
- Basic knowledge of construction site safety practices.

If you are ready to take your career to new heights in the aerospace industry, we invite you to apply today and become a vital part of the Beacon Industries team!
